

Platform & SaaS Fee Schedule

One platform. Every workflow. From first click to recurring refill.

\$2,000+

Starting / Month

The Operating System for
Telehealth Brands.

- + Replaces 5-10 fragmented tools with one unified platform
- + HIPAA-ready in every feature — not bolted on after launch
- + Launch in weeks, not months

5-10

Tools Replaced

CloudHealth consolidates your entire tech stack — from lead capture to refill subscriptions — into a single, unified platform.

50

State Coverage

Licensed clinicians and pharmacy fulfillment available across all 50 states. No patchwork of regional solutions.

1

Login. One Truth.

One source of truth across every workflow. No tool-switching, no manual handoffs, no gaps in the patient journey.
